**Going on Your Vacation?**

You will want a supply of the very necessary summer toilet goods and medicines. Let us show you the right things to pack in your grip. Toilet powders and lotions that protect the face from sunburn and blister; lotions to relieve the sting of insects. Other things too, a visit here will suggest.

ing bags in Bryan and our prices  
are the lowest. Parks & Waldrop. 167

D. C. Lightsey of Reliance was in  
the city yesterday and received a ship-  
ment of fine tomatoes from his brother  
at Jacksonville, Tex. They were very  
large and evenly formed, but were no  
better than many that come in from  
right around Bryan. They were  
given more care in handling was the  
only difference.

**MORE BUILDINGS FOR BRYAN.**

Contract Let for Two Residences Late  
Yesterday Afternoon.

From the amount of building going  
on in Bryan and new buildings pro-  
posed, the old town is not a dead one  
by any means. Contracts were  
awarded late yesterday afternoon, af-  
ter The Eagle had gone to press, for  
two residences.

Mrs. L. L. Chance let the contract  
to Mr. C. E. Jenkins for an elegant  
two-story seven-room residence to be  
erected on the site of her present  
home. The building was designed by  
Jones & Tabor, architects of Houston,  
and will be modern in architecture, fin-  
ished with broad verandas and beamed  
ceilings, and fitted throughout with  
approved sanitary appliances. It will  
be among the handsomest residences  
of the city and will cost about \$4,000.

Prof. John A. Moore also let the  
contract yesterday afternoon for a  
home which is to be a modern raised  
six-room cottage. It will be erected  
on lots recently purchased from Mr.  
T. R. Batte, immediately on the west  
side of Mr. Batte's residence. Tabor  
& Jones of Houston are also designers  
of the Moore cottage. It will be mod-  
ern and up-to-date in every respect  
and will front both north and west.  
The contract for its erection was let  
to Mr. J. A. Gammon and the contract  
price is private.

Work on both these homes will be-  
gin in the near future and be fin-  
ished during this summer.

**JAMES HAYS QUARLES ILL.**

In Houston Infirmary for Surgical  
Operation.

James Hays Quarles, librarian at the  
Agricultural and Mechanical college,  
underwent a surgical operation yester-  
day morning at the Houston infirm-  
mary. Mr. Quarles has been at Col-  
lege Station since December, although  
Houston is his home. He arrived at  
the hospital Monday night from Col-  
lege and the indications are that he  
will be confined to his room for some  
three weeks.—Houston Post.

**BAILEYS PURCHASE.**

Adds to His Stock Farm at Lexington,  
Kentucky.

Special to The Eagle.

Lexington, Ky., June 17.—By a deed  
ordered to record in the office of the  
county clerk here Senator J. W. Bal-  
ley becomes owner of a 43.18-acre tract  
located on Versailles pike and adjoin-  
ing the Iroquois stock farm, already  
owned by him. The deed was made to  
Senator Bailey by Walter S. Payne  
and Walter S. Payne Jr., Daniel Mc-  
Carty Payne and others in considera-  
tion of \$6,477. For \$2,875.50 Walter S.  
Payne Sr. also conveys to Senator  
Bailey a tract of land located on Ver-  
sailles pike, about four miles from Lex-  
ington and containing 19.17 acres. Mr.  
Bailey now has over 300 acres of the  
best land here. He makes frequent  
trips here to inspect his holdings and  
his eight harness horses.

You are now in good health; have a good position; earn-  
ing a fair income. You may not expect accident or sick-  
ness, but it is prudent to be prepared when it does come.

Think this over—a small account added to each  
week soon makes your savings worth while.

**Get The Habit**

No deposits too large—None too small. You can begin with \$1.00

**First National  
Bank**

Capital, Surplus and Profits \$192,000

**TORNADOES**

Are raging over the country and Bryan is likely to be  
visited by one at any time, judging from the big hail  
storm just passed. We issue liberal policies covering  
against loss or damage by wind and hail at reasonable  
rates. We also insure growing crops against hail  
damage. Ask for rates and policy conditions.

No Trouble to Answer Questions.
